21 October 2020

To whom it may concern:

This letter is to confirm that Uday Chippada was employed by Diversant, LLC on a full-time basis as an Application Programmer V. Uday Chippada was assigned to provide technical services to our client, Bank of America, and worked at their offices located at 100 North Tryon Street, Charlotte, NC 28202. Uday Chippada began employment on August 27, 2020 and ended employment on April 19, 2020.

As an Application Programmer V, Uday Chippada's primary duties included, but were not limited to, the following:

- Working as a member of a small team of business analysts and developers
- Supporting front office, middle office, market risk, and finance users in collecting, transforming, loading, and reporting end-of-day and intraday fixed income and derivative trading positions, and other financial data.
- Exercising a wide range of manual and automated testing tasks in an Agile Scrum team with an aggressive weekly release cycle.
- Proficiency with Informatica ETL, Python/Perl/Bash, and SQL.

Please contact our offices should you have any questions or require additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Luke Giambona'.
